## SHARE YOUR STORY™

What makes our library special isn't just the materials we have, but the memories we create.

The things we love most about our job is getting to know you and the things that are important to you. These are the things that make us proud to serve you.

When we hear someone aced their test, got a job, or found a new favorite book, we can't just keep it to ourselves.

So this season we're celebrating your stories...

Take an audio tour of the library narrated by you. Ask at any help desk and we'll connect you with an audio tour of our new building told through the voices of our patrons.

Celebrate the events that give you a voice. Look for the highlighted events throughout this newsletter.

Connect with us through our social media accounts. Follow us on Facebook, Twitter, Snapchat, and now Instagram to keep the fun going. *Make sure to use our hashtag #APLstories!*

*The audio tour will be launching sometime in January. Stay tuned for updates!*
