**Summer’s Here!**

**Summer Reading for All Ages**

*Jun. 1–Aug. 22.* Pick up a log at the library and get reading! Kids will be given logs at school at the end of the semester. Adults are welcome to join in on the fun. This year’s program will closely resemble last year’s: We’ll have prizes for all ages, and the log is the same for both kids and adults. Don’t let your brain fall victim to the “summer slide!” Kids perform better in school if they’ve been reading all summer, and adults should keep their brain in shape year-round even if no one’s around to grade you on it!

**Celebrating Summer Reading & Our Grand Reopening**

*Jun. 12, 1:30–4:30.* Join us for an afternoon of performances, giveaways, crafts, and balloons! We’re celebrating Summer Reading prizes as well as the official end of our construction project. Explore the library now that the red tape and orange cones are gone and see what’s new. This is also a great time for stragglers to pick up summer reading logs—or for speedy readers of all ages to claim their first prize. We’re sorry for everything our patrons had to put up with this spring and we’re happy we made it to the other side!

**Free Summer Lunch**

*Jun. 13–Aug. 19, 12–1.* Once again, with food provided by the Northern Illinois Food Bank (with help from from U.S. Department of Agriculture and State of Illinois grants), we are proud to offer free lunch to librarygoers of all ages! Join us each weekday for a healthy meal served by our devoted teen volunteers.

A variety of programs are offered for kids and teens after lunch. On Mondays, teens can participate in “maker challenges,” while younger kids can have fun with us in our play area. On Tuesdays, teen volunteers will read to younger “library buddies.” On Wednesdays, a do-it-yourself craft will be provided to kids of all ages. On Thursdays, there will be more activities for children in the play area. On Fridays, teens will be able to play video games and complete makerspace activities.
YOUR NEW LIBRARY

Construction wraps up this May, and final adjustments will be complete by June 9. If you haven’t been in recently, come and see what’s new! We focused on implementing small changes that’ll make a big difference in how you enjoy the library. Here are some snapshots of our project’s highlights so far.

- **3 new study rooms**
- **Better lighting**
- **Brighter colors**
- **Larger Creative Studio**
- **3 new study rooms**
- **New play area toys**
- **New silent reading room**
- **Parent-child study rooms**
