SUMMER READING

LECTURA DE VERANO LETNIE CZYTANIE

For all ages • Para todas las edades • Dla wszystkich grup wiekowych

HOW WILL SUMMER READING WORK THIS YEAR?

Join us for Summer Reading and take a deep dive into a book of your choice! Instead of receiving a reading log when you sign up, you'll receive your prize right away: tote bag, a book, and goodies that are inspired by the book bag you select. You get to keep the bag, the book, and everything inside!

We encourage you to take your time enjoying the book and the surprises inside the bag to fully experience the love and excitement of reading. No need to log your books or time spent reading; just relax and enjoy!

¿CÓMO FUNCIONARÁ LA LECTURA DE VERANO ESTE AÑO?

¡Este verano le invitamos a sumergirse en la lectura con un programa especial y un libro de su elección! En vez de un registro, recibirá el premio en cuanto se inscriba en la Lectura de Verano: un bolso de lona, un libro y unos regalitos inspirados por el tema del libro que seleccione. ¡El bolso, el libro, y las sorpresas son un obsequio!

Le animamos a que se tome su tiempo con el libro y las sorpresas para que disfrute de la experiencia de la lectura. No tendrá que llevar cuenta del tiempo que dedique a leer, ¡simplemente relájese, emprenda un viaje con su imaginación y disfrute!

HOW DO I SIGN UP?

You can pre-register online starting May 1 at addisonlibrary.org/summer-reading. If you pre-register, you will be signed up to receive an alert via email when registration is open to you.

Summer Reading registration opens to everyone on June 1. You can register for Summer Reading online or at the library, then pick up the bag at your next library visit or request curbside pick-up. Book bags will be available starting June 1.

¿CÓMO ME INSCRIBO?

Puede preinscribirse a partir del 1 de mayo en addisonlibrary.org/summer-reading. Si se preinscribe, lo registraremos para que reciba una alerta en su email cuando comiencen las inscripciones.

Inscripciones para la Lectura de Verano iniciaran el 1 de junio. Se puede inscribir en línea o en la biblioteca, y recoger su bolso en su próxima visita. Los bolsos estarán disponibles a partir del 1 de junio.

WHAT'S INCLUDED IN THE SUMMER READING TOTE BAGS?

To go with your free book, we have included some fun surprises to help you get immersed in the reading experience.

To give you an idea (without spoiling the surprise):

- Adult book bags may come with recipes, reading challenges, or Spotify playlists
- Teen book bags may come with crafts, games, puzzles, experiments, recipes, snacks, or book-related goodies
- Children's book bags may come with activity sheets, crafts, art supplies, or fun summer goodies

WHAT BOOKS CAN I CHOOSE FROM?

We will have a complete list available at addisonlibrary.org/summer-reading closer to the start of the program, but to give you a sneak peek, here are some titles you can enjoy:

GROWING READERS

1,000 BOOKS BEFORE KINDERGARTEN

What is 1,000 Books Before Kindergarten?

This reading initiative is a great way for your child to develop literacy skills during their early years for future success in school. Plus, reading together is a fun way to bond with your child and help them think of reading as a positive experience as they get older!

Who can participate? How do I sign up?

Any child who has not yet entered kindergarten can sign up for the 1,000 Books initiative. To sign up, simply visit the library and go to our Children's Services desk on the first floor.

When you register your child, you'll receive a tote bag filled with goodies, as well as a log for your first 100 books. Every child who completes the program receives a certificate and prize.

1,000 books sounds like a lot...can we actually finish the program?

Of course you can! 1,000 Books Before Kindergarten is self-paced, so how long the program takes depends on how often you read together. For example:

1 book per day x 3 years = 1095 books
3 books per day x 1 year = 1095 books
10 books per week x 2 years = 1040 books

It's okay to read books more than once, too! Books read at library story times and books read online on a library platform like TumbleBooks or BookFlix also count toward the program. Any book counts!

Thank You to Our Community Partners

We would like to thank Addison Bank and Trust for their generous donation towards 1,000 Books Before Kindergarten, which will be used to buy more tote bags for children who sign up. We also want to thank the Friends of the Addison Public Library for funding our purchase of more books for the program. We couldn't do it without the support of our amazing partners!

We are putting together a collection of residents' stories for future generations to capture what our lives were like during COVID-19, and we want to include your story!

Our New Strategic Plan

Based on the results of our 2020 community survey, we are preparing a new strategic plan to focus on the things you want to see from your library!

Visit addisonlibrary.org/mission-strategic-plan to learn more about our strategic priorities over the next few years and how we plan to make an impact.

Remembering the Original Addison Library

One of the hardest parts of operating a library during a pandemic is the missed human connections. But as the Addison Public Library has adapted since COVID-19, staff are finding new ways to connect with patrons and help in any way they can. One such connection was with resident Catherine Ryan, who has lived in Addison for nearly 60 years and has been a patron of the library since the very beginning.

Read her story on our website at addisonlibrary.org/remembering-original-library.
